

Truth School • 2018
~Oklahoma~
Consecration Agreement

Every year the Truth School has been a time of enjoying the riches of Christ in an atmosphere of pleasant labor in the Lord. We have learned that this kind of corporate experience of the Spirit comes out of much prayer, the release of our Lord's Word, the exercise of the spirit, and the firm restriction of the flesh. We expect, therefore, that each young person would spend some time with his or her parents to present themselves to the Lord for the Truth School. **We do not recommend coming to the Truth School in a kind of light social way.** This would not be profitable for you or for others. Parents whose young people are involved in the Truth School should also spend some definite time to consecrate this time in a serious way to the Lord. We hope every young person with their parents would be in one accord for the spirit and goal of the Truth School.

Truth School Regulations

1. No behavior that distracts you or others from the goal of the Truth School will be tolerated. This especially applies to boy-girl relationships. No private contact between young brothers and sisters, including phone calls and text messaging.
2. A respectful and cooperative attitude toward workers should be maintained at all times.
3. The Truth School will have a very definite schedule. We expect your willing participation in all activities.
4. Absolutely no magazines, books, iPods, MP3s, rubik's cubes, electronic games, dice, cards, fidget spinners or pocket knives will be allowed.

7. Clothing violations will be enforced. Expect to be asked to change your clothes if they do not match the dress code.
