

## 2018 Truth School Jr Application for Junior and Senior High School Serving Ones

Name	Grade in Fall 2018	Cell Number

Truth School Jr. is an important time to shepherd and care for those who are younger than you. Because of your age, the younger ones look to you as patterns thus making you one of the best people to reach and influence them. Because of this fact, we appreciate your willingness to serve the Lord, the church and our children. All junior high and high school serving ones are required to fill out this application which clearly outlines our expectations of serving ones. **Please read each point and initial in the space provided.**

1. \_\_\_\_\_ All full-time serving ones will receive a free T-shirt and free admission to our field trip(s). Part-time workers are welcome, but a definite schedule of availability needs to be submitted to James Kennedy and/or Don Dewald prior to Truth School Jr. T-shirts and field trip costs will not be covered for part-timers.
2. \_\_\_\_\_ A full-time serving one means that you participate M-F, beginning from the 8:45 AM prayer time until dismissal, either after recreation or the field trip.
3. \_\_\_\_\_ All serving ones (full-time and part-time) will have assigned locations during opening time and will be expected to participate fully, helping to engage the younger ones. Our participation and attitude helps set the tone for the whole day.
4. \_\_\_\_\_ In many cases, you will be paired with an older saint. Do your best to coordinate and stay with your partner. Look for ways to help. A respectful and cooperative attitude should be maintained at all times.
5. \_\_\_\_\_ Some of your tasks may include but are not limited to: a) snack prep b) craft time c) lesson time d) recreation time e) opening time f) field trips g) verse memorization
6. \_\_\_\_\_ Your dress, appearance and conduct impact Truth School Jr. Remember, the little ones are watching you. Please do not wear shorts, sleeveless tops, or shirts with inappropriate logos. Modest dress is desired.
7. \_\_\_\_\_ No young people will be allowed to drive to the field trips.
8. \_\_\_\_\_ Activities not organized or authorized by the Truth School Jr. are not allowed. This time is for the children and for us to serve them. Please do not bring ipods, cameras, video games, etc. that will distract from the main purpose of our being there. While we are serving, we should not be taking personal phone calls. This will distract you and the children.
9. \_\_\_\_\_ Serving ones who refuse to actively participate or who have not filled out an application will be asked to leave the property. We want to maintain a high and positive standard throughout the entire Truth School Jr.

I have read and initialed all the above points, indicating my desire to serve and to abide by the guidelines listed above.
